Christmas at Beside The Wave 2021

Dear collectors,

I hope 2021 has been a great year for you so far. To those that have visited us in Falmouth and added our artist's work to your collections - thank you.

It's been an amazing year here at the gallery. Our artists have produced incredible work, we've welcomed lovely new people to our tiny team and artworks have found new homes all over the world.

We have loved creating this year's Christmas catalogue for you and I feel very privileged to be the curator of great contemporary works of art - from the smallest most intricate pieces of silver and gold, to unique and innovative ceramics and the largest of canvases.

In our thirty second year we have introduced five new artists to the Beside The Wave family, Helen Ward, Hugo Jones, Nicola Mosley, Steve Smith and Chloe Elliott. We are also delighted to have welcomed back Nancy Crewe and Alan Stratford.

For those here in Cornwall, we hope you can join us at our Christmas Party on Wednesday December 1st, 6-8pm.

Wishing you all the best this festive season,

Flo
